COVID-19

Message from Rare Spares regarding COVID-19

Rare Spares are very mindful of the need for the public to try and minimize exposure to others, we understand the health issues associated with COVID-19.

That said to keep our customers safe from the virus, we would like to invite all customers that would prefer to stay at home the opportunity to order your requirements by phone order from your local Distributor.

To help our customers with this process we are offering FREE DELIVERY* to those within a 100km radius of the store they purchase from. Those orders that qualify for free freight will be dispatched via Australia Post (we will strive to dispatch on the day of order).

For those customers that prefer to shop instore all of our Rare Spares Distributors are still open and trading under normal trading hours.

Our highest priority is the health and safety of our customers and our team members and providing a safe environment for everyone. To keep you safe, some of the things we are doing are;

- we have increased cleaning and sanitisation of our stores
- we encourage everyone who is not feeling well to not come to our stores

We thank you all for your loyalty with the Rare Spares brand and wish you all good health and safe living for the future.

* Conditions Apply: To qualify for Free Freight a minimum spend of \$100 applies and is offered to "phone orders only" through your local Distributor (this offer excludes New Zealand). Your parcel size and weight must also meet the guidelines of Australia Post (maximum length 100cm, maximum weight 22kg, maximum dimensions 0.25 cubic metres). Offer is valid from 9am Friday 20th March 2020 to Midnight Thursday 30th April 2020**

** We will advise if the conditions of the expiry date change with regards to concerns around COVID-19.
